

Application to submit a research thesis after lapse of candidature

Privacy notice: The information on this form is collected for the primary purpose of determining eligibility to submit the thesis under relevant research degree regulations.

Other purposes of collection include attending to administrative matters, corresponding with you and statistical analyses. If you choose not to complete all the questions on the form, it may not be possible for the Graduate Centre to assess the application.

SECTION A: to be completed by the candidate.

Student Number: Faculty:

Family Name: Title:

Given Names:

Mailing Address:

Postcode:

Telephone number: Home: Work:

Email Address:

Date on which candidature lapsed:

Reason why it was not possible to submit the thesis by the due date:

Work still remaining to be completed on thesis at the time of lapsing:

Nature and frequency of contact maintained with former supervisor in relation to the thesis writing after candidature lapsed:

Estimated date of thesis completion:

I certify that the research and the writing embodied in the thesis are entirely my own work except where due reference is made in the text:

Applicant's signature:

Date:

Section B: to be completed by former supervisor

I am able to certify that the research and the writing embodied in the thesis are that of the candidate except where due reference is made in the text OR

I am unable to certify that the research and the writing embodied in the thesis are that of the candidate except where due reference is made within the text.

Please note that where the supervisor is unable to so certify, the Research Degrees and Scholarships Committee reserves the right to require an oral examination.

I support the former student's request to submit the thesis OR

I do not support the former student's request to submit the thesis

Please give reasons for your statements above, commenting on:

- the reasons why the thesis was unable to be submitted within the period of candidature,
- the stage reached in the writing/preparation of the thesis, including the proportion of draft thesis chapters you had sighted and commented upon, at the time candidature lapsed,
- the nature and frequency of contact with the student regarding the thesis writing following the lapse of candidature,
- the quality of the submitted thesis compared with the thesis as it stood at the time the candidature – i.e. comment on the extent of the progress made since the candidature lapsed.

Comments on the estimated date of thesis submission:

Supervisors Signature:

Date:

Supervisors name (Please print):
